

INTERNAL MEMORANDUM

Date: October 5, 2021
To: SBURA Board
From: Tyler Westrope
Engineer, Public Works
Subject: Public Works Update

The following is a brief update on Public Works activities in the South Billings Boulevard Urban Renewal District as of October 5, 2021

Hallowell Lane:

- Work is progressing north of Vaughn Lane with curb, gutter and sidewalk.
- Public Works expects paving to begin on this section on Friday, October 8.
- Road improvements on Hallowell Lane from Cecropia Ave to State Ave to begin on or about October 22 with completion expected on or about October 29,
- Bruce Ave work will take place concurrently with the above work on Hallowell Lane.

Unimproved Roads

- Sanderson Stewart has begun their design work on Mitchell, Morgan and Ryan Ave's, Hillview Lane and Vaughn Lane.
- The design work for the above roads is expected to be completed in January 2022 with construction beginning in April 2022.
